

NEW VET

NETWORK FOSTERING THE EUROPEAN WORK-BASED
LEARNING SYSTEM FOR VET PROVIDERS

NEW VET Project

NEW VET “**Network fostering the European Work-based learning system for VET providers**”, co-funded by the EU Erasmus+ (KA3) programme, wants to foster partnership and cooperation among VET providers to become effective actors in supporting VET reforms at national and European levels.

NEW VET will increase the quality of national VET systems by promoting the effective implementation to EU recommendations and tools. The project will also raise the awareness on the Work- Based Learning system to make VET a more popular and attractive choice.

**1st NEW VET meeting
Rome, ITALY**

KICK OF MEETING AND PRESS CONFERENCE

On 20th January 2020 we all met at the IAL NAZIONALE Headquarters in Rome for the project NEW VET, where the key issues related to the first stage of its delivery were discussed.

On 21st January 2020 a Launching Conference was organized at the Italian Confederation of Workers' Trade Unions (CISL) Headquarters in Rome, where the NEW VET project was presented to a broad audience.

NEW VET 1st TRAINING HOTSPOT

From 21st to 23rd January 2020 NEW VET partners followed the 1st NEW VET transnational capacity building training hotspot in IAL NAZIONALE Headquarters in Rome.

On the first day, two experts informed NEW VET partners about the European Union's Policies for the next programming period 2021-2027.

The second day of the hotspot training, presentations focused on Italy's experience in Erasmus+ and the results Italy has achieved in the VET field for the past five years.

The third and the last day of the training consisted of a workshop on EU project writing.

2nd NEW VET meeting Le Puy-en-Velay, FRANCE

Due to the Coronavirus (COVID-19) outbreak, we had to postpone our project meeting and the second Training Hotspot to be held in France in April 2020. All the partners agreed that the event should take place in **Le Puy-en-Velay, France from 28th September to 2nd October 2020!**

Partners will learn how ECVET system and other relevant EU tools can be transferred at the specific local level to better adapt the existing national WBL frameworks to the quality and efficiency standards set out by the European Union.

VET News from EU

Fight against COVID-19

As a result of the COVID-19 pandemic and the closing of education and training institutions all over the world, several initiatives have been taken to ensure continuity of the learning and teaching through this period. To capture the variety of initiatives that have been undertaken, **the European Commission launched an online survey**. The survey has been opened on 18th March 2020. Click on "**View**" to see **the overview**

of the survey and list of other initiatives of VET providers.

You can also share your your VET activities as a response to COVID-19 by filling in this short form: <https://newvet-project.us8.list-manage.com/track/click?u=439bd66d48c63d2254b153291&id=f1affb8c44&e=e0a4bfddb2>

Ms **Kristina Zharkalliu** is an Administrative Officer at ReadLab and committed to supporting the implementation of the NEWVET project. Kristina has worked as a consultant in the areas of higher education, inclusion and the protection of vulnerable groups

professional experience EU-funded projects implementation, especially as regards Project Management and Strategic Planning. She holds a BA in International and European Studies from the Department of International and European Studies, University of Piraeus, Greece and an MA in War Studies from King's College London, University of London, UK.

regarding education, citizenship education and youth policies. She has experience in Erasmus+ programs project management and implementation. She has a strong background in EU public policies. She holds a MA in Public Administration & Governance (Central European University) and a BA in International & European Studies (University of Piraeus).

WELCOME Aps

[WELCOME A.p.s.](#) is a not-for-profit association stimulating transnational cooperation, strengthening public and private partnership in Europe and fostering excellence, innovation and quality in all the activities related to the human capital development. WELCOME is an official VET Provider recognised by the Marche Regional Authority and it has a very reliable experience in designing, coordinating, managing, monitoring and evaluating European mobility projects on Work Based Learning experiences for students. WELCOME acts as a Mobility Agency for the young beneficiaries of Erasmus+ KA1 mobility grants but it also cooperates in several other KA2 and KA3 projects. During over 10 years of experience WELCOME's staff built and strengthened an extremely large local network of partners, now cooperating with more than 20 organisations among regional VET schools, universities, academies, trade and business associations.

WELCOME founders are Silvia, Laura and Martina, three experienced EU project managers willing to spread the European values and to support the dissemination of initiatives promoted by the European Union.

Silvia Baiocco is an expert in organising and managing Work Based Learning experiences for students in Europe and in skills assessment activities. She is included in the regional list of Employment Services Operators as a provider of information, guidance counselling and supply/demand intersection.

Laura Bulgari is an expert in accounting, programming and monitoring mobility projects. She has a specific expertise related to the ECVET system and its implementation by carrying out training activities for students and teachers.

Martina Paccova is an expert in designing and managing cooperation projects in the field of education and culture. She also provides advice to SMEs for access to ERDF funding and is a registered Local Development Facilitator for the Marche Region.
