

NEW VET

NETWORK FOSTERING THE EUROPEAN WORK-BASED
LEARNING SYSTEM FOR VET PROVIDERS

Programm 3rd New VET Training Hotspot – January/February 2021

Topic: Implementing high quality and efficiency WBL systems at national/regional level

Core questions:

- how to build long-term relationships with VET providers, private companies (and other actors of WBL) based on mutual trust and win-win approaches
- visit to **success stories**, to see how effective WBL systems have been set up, exploring the main difficulties and constraints met and how they were crossed
- **workshops** to translate into practical proposals those knowledge aspects addressed during the whole Training Hotspot, to share ideas and think about possible cooperation hypothesis for pilot activities to be implemented in WP4

Day 2: Thursday, 4 Feb 2021
